## Powerful, Portable Tablets!

### It's a Game Changer!

Pioneer ruggedized tablets with InCharge Power Management System help you work smarter and save valuable time! Simply dock the tablet to charge when not in use, then pick up and go on your rounds with up to 7 hours battery life.

### Medical Grade Tough

You'll notice that Pioneer Tablets are Medical Grade Tough. They are tested to be able to withstand a 4-foot drop, are sealed against dust and spills because we know accidents do happen. Don't waste your money and time on replacing consumer grade technology - buy right the first time, buy Medical Grade.

### Stay Connected

These tablets are powered either Android or Windows 10, depending on your needs. The built in WiFi and Bluetooth keep you connected to your EHR, and your colleagues while at the point of care.
